

The Museum Rocks!

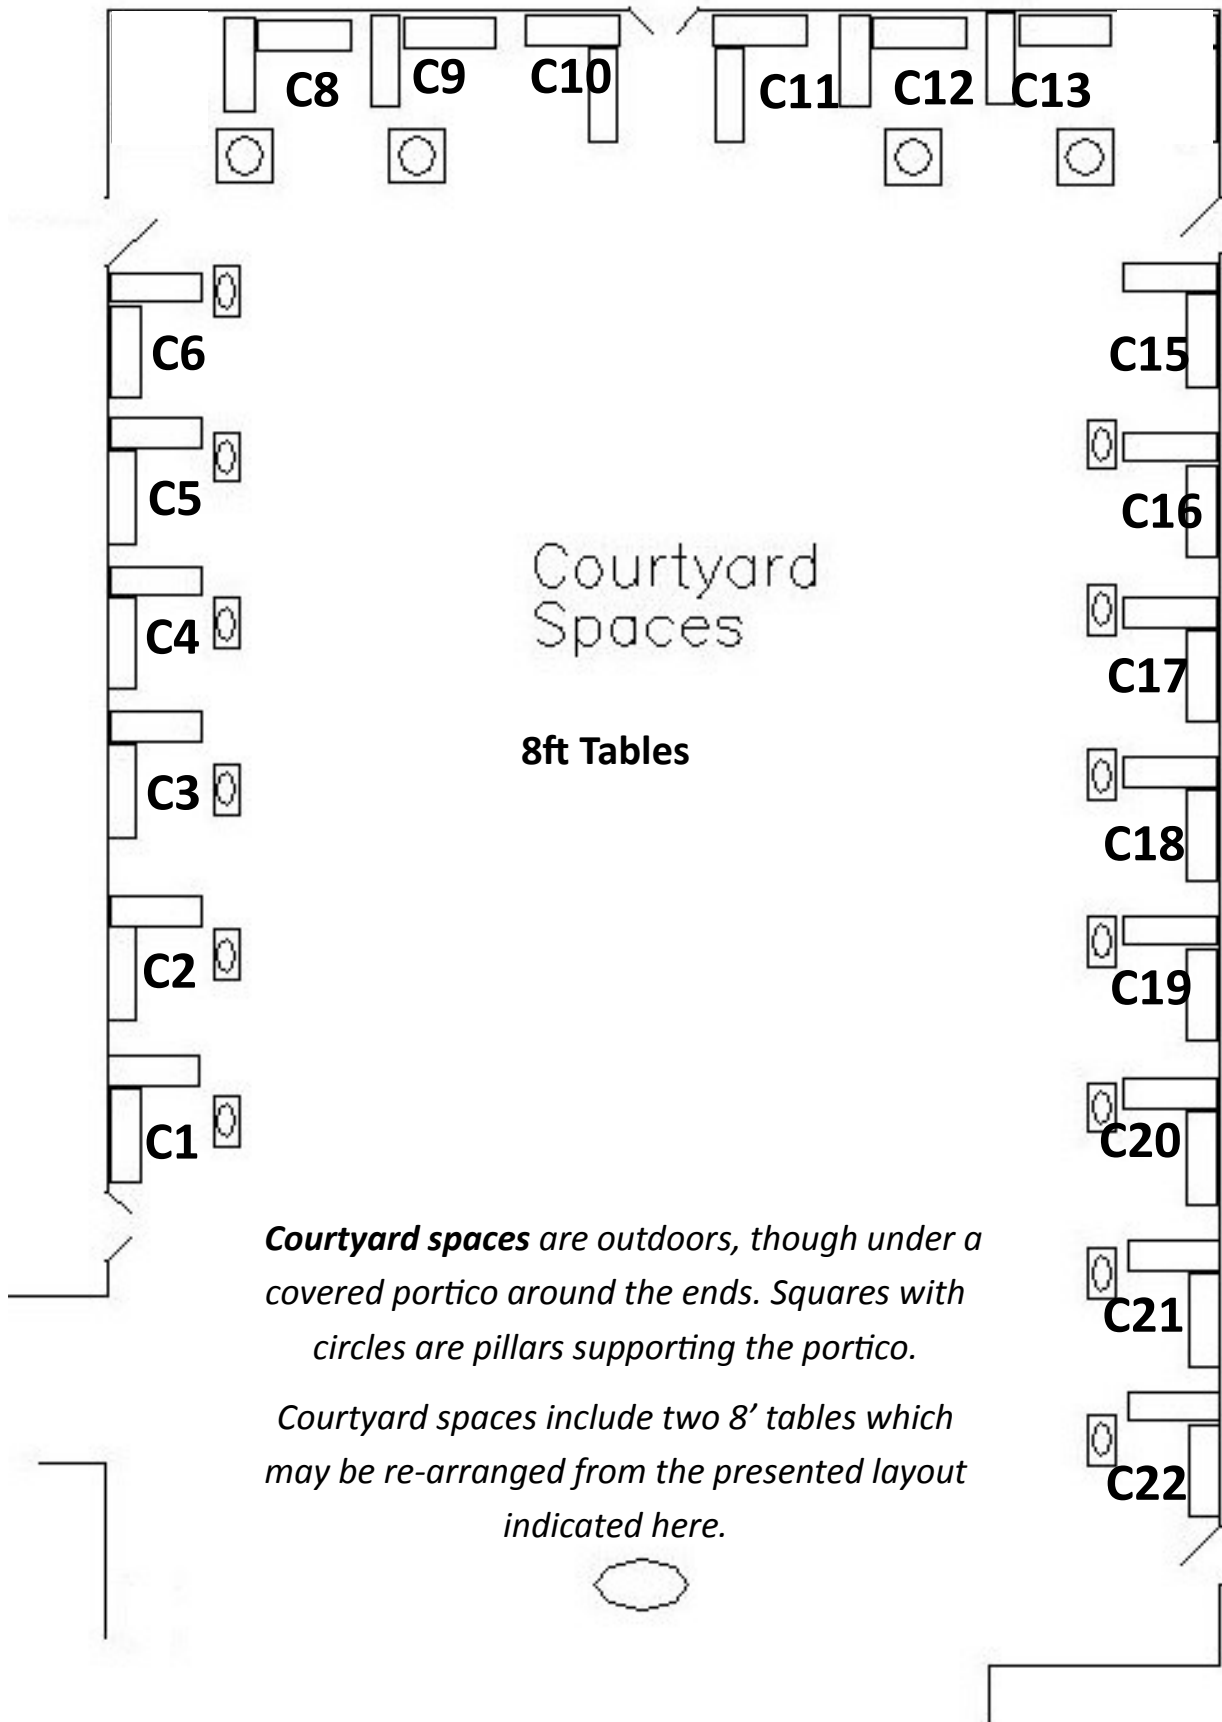

February 18th & 19th 2017

*Drive in spaces near
museum entry walk*

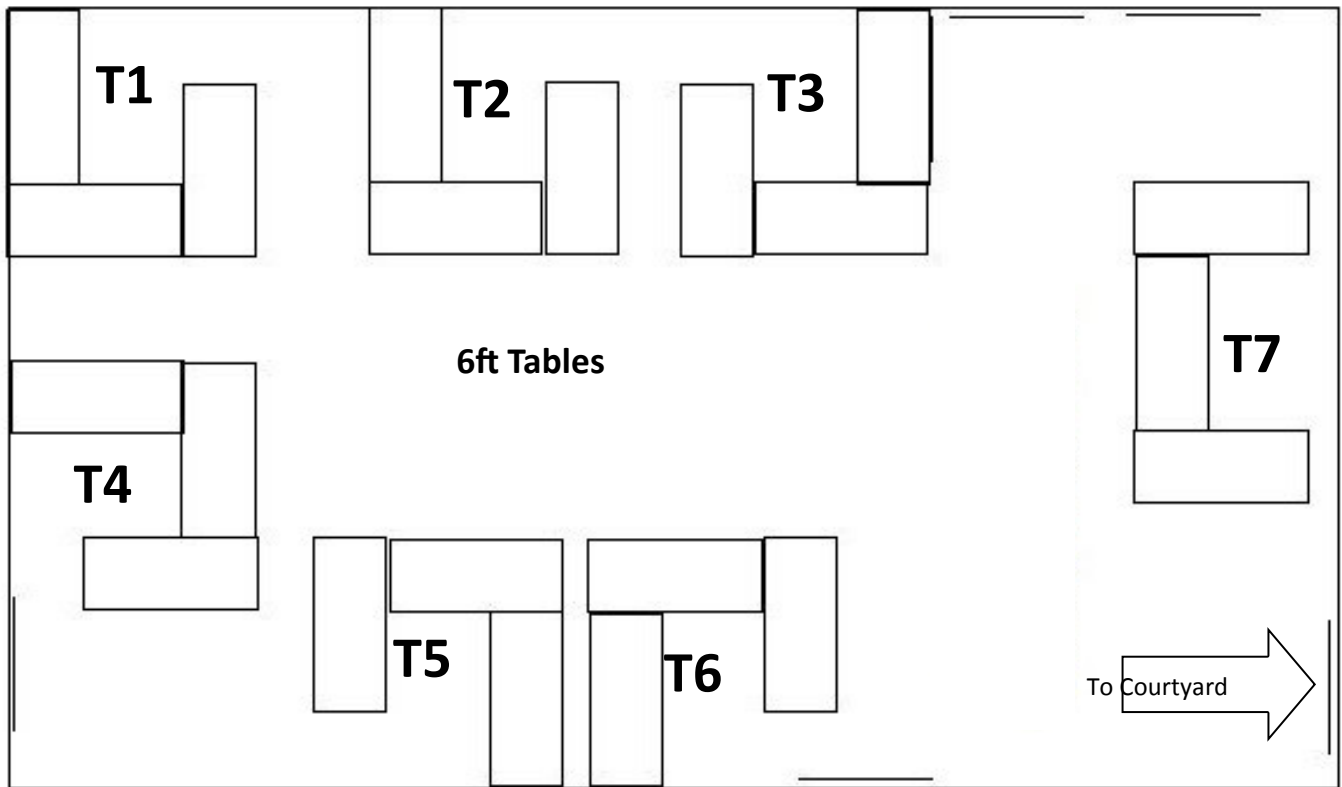

The Museum Rocks takes place at the NM Farm & Ranch Heritage Museum in various locations throughout the property.

Use this overview map to locate the attached exhibit areas and to refer to when considering location, traffic, etc.

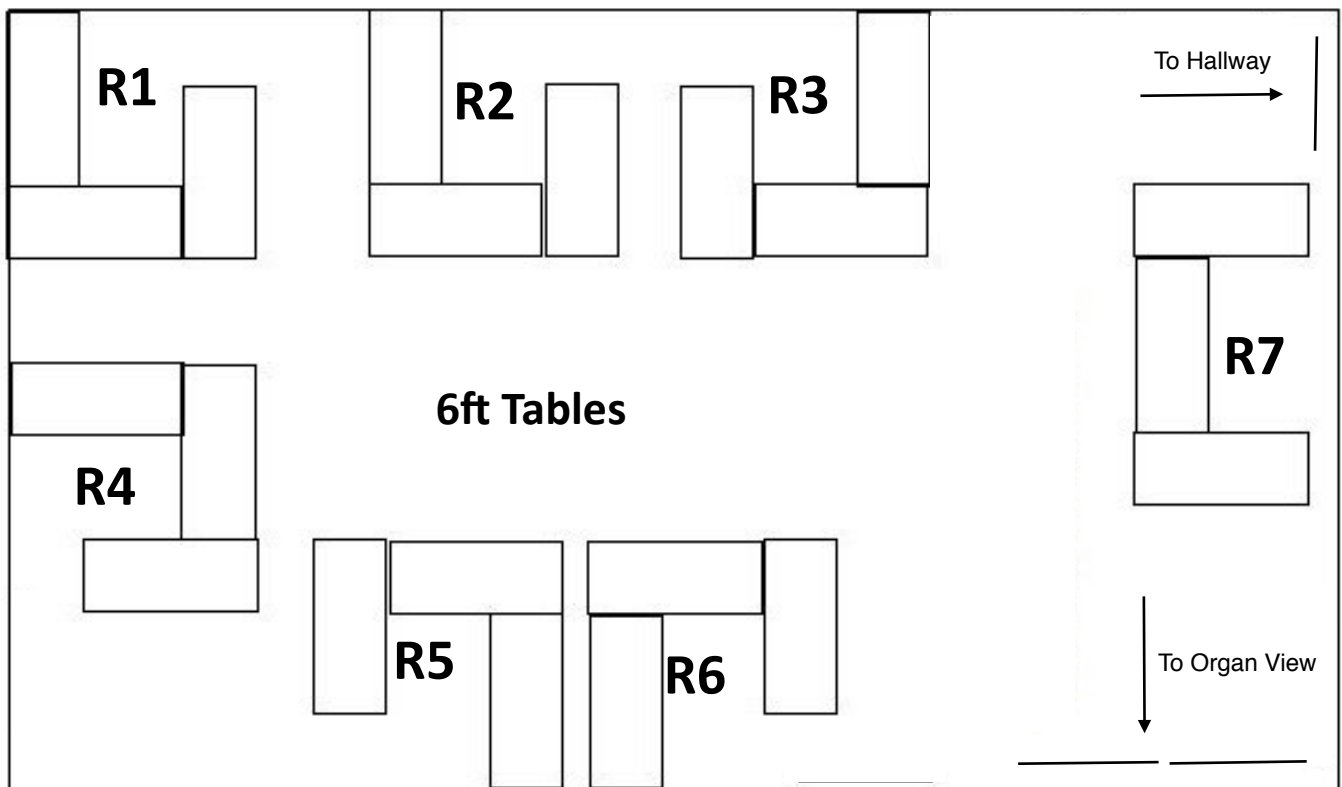

Organ View Terrace Spaces

*The **Organ View Terrace** is the Jewelry Showcase room. Spaces here are for handmade finished jewelry products.*

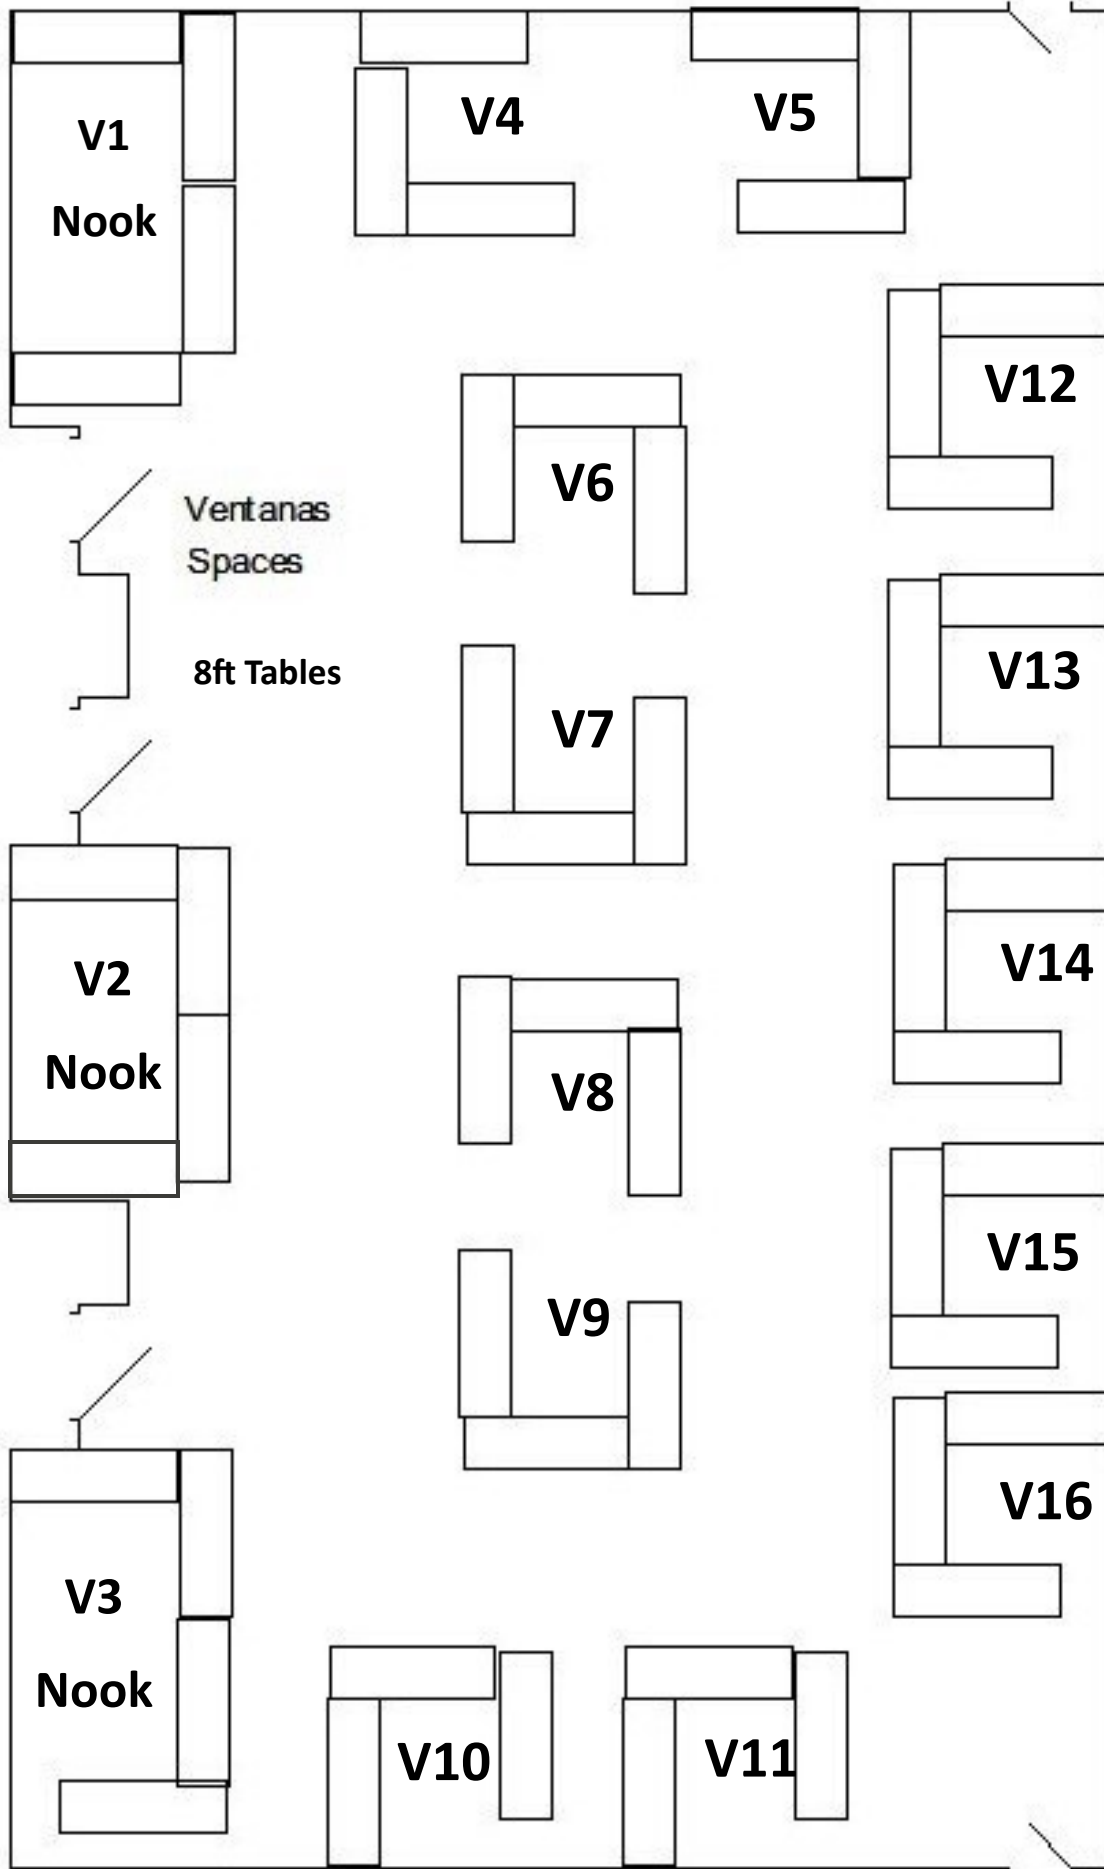

Spaces include three 6' tables. Tables may be re-arranged from presented layout but must not take anymore space than presented footprint.

Rio Hondo Spaces

*The **Rio Hondo** is the Jewelry Showcase room. Spaces here are for handmade finished jewelry products.*

Spaces include three 6' tables. Tables may be re-arranged from presented layout but must not take anymore space than presented footprint.

Ventanas spaces are premium indoor spaces.

Standard spaces include three 8' tables, which may be re-arranged from the presented layout indicated here as long as not additional space is added to the footprint.

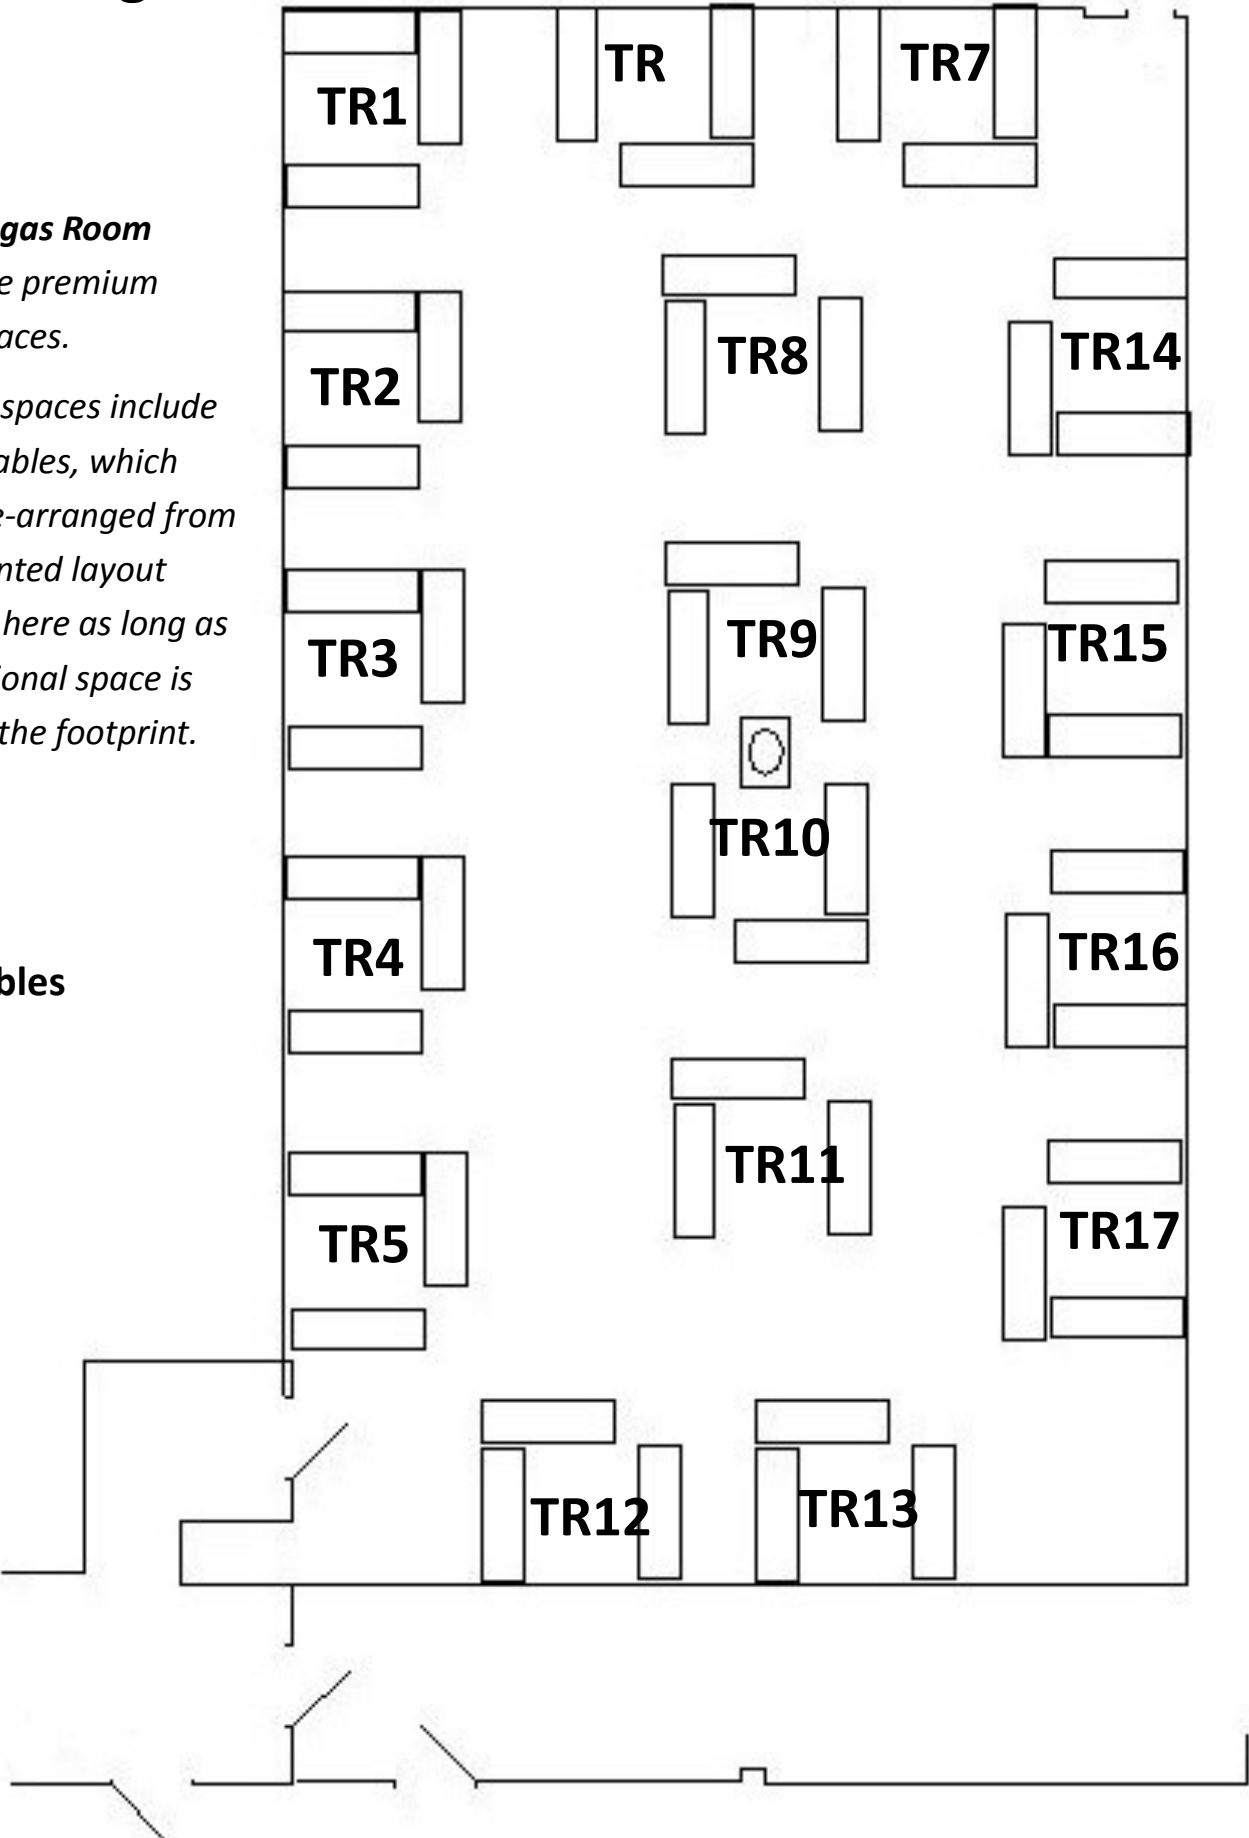

“Nook” spaces are the three areas to the far left which include four 8' tables.

Tortugas Room

The Tortugas Room spaces are premium indoor spaces.

Standard spaces include three 8' tables, which may be re-arranged from the presented layout indicated here as long as not additional space is added to the footprint.

8ft Tables

Hallway Spaces

The **Hallway** spaces are in the hallway outside of the Tortugas gallery and the Ventanas room. Spaces are essentially one 8' table placed close to the wall. Placement here is not exact pending fire marshal review for walk space restrictions.
